# Fullness of Iniquity

Are we as a nation and the world not at the point described in Ether 2:

*11)And this cometh unto you, O ye Gentiles, that ye may know the decrees of God-that ye may repent, and not continue in your iniquities until the fulness come, that ye may not bring down the fulness of the wrath of God upon you as the inhabitants of the land have hitherto done.*

*12)Behold, this is a choice land, and whatsoever nation shall possess it shall be free from bondage, and from captivity, and from all other nations under heaven, if they will but serve the God of the land, who is Jesus Christ, who hath been manifested by the things which we have written.*

I, as some of you, probably in the past have contemplated what this means, I think the following describes the definition given by the seer Mosiah II in Mosiah 29:

*27)And if the time comes that the voice of the people doth choose iniquity, then is the time that the judgments of God will come upon you; yea, then is the time he will visit you with great destruction even as he has hitherto visited this land.*

Are we there? Have the USA and the world gathered together in the great and spacious building? Have those who have knowledge of the Book of Mormon joined in the throngs?
